1. RULES

1.1. The event will be governed by:

1. the 'rules' as defined in the RRS, including Appendix C.

2. the rules for Handling Boats (SI Addendum C) that will also apply to any practice sailing. Class rules shall not apply.

3. The US Sailing prescriptions to RRS 63.1 and 63.2 shall not apply.

Observers will not take part in sailing the boat or communicate with the crew while racing.

1.2. Competitors are responsible for providing their own personal flotation device (PFD).

1.3. [DP] A U.S. Coast Guard-approved life jacket shall be worn, properly fastened, while

afloat except briefly while adding or removing clothing. Failure to comply with this rule may result in disqualification or other penalty at the discretion of the protest committee.

Competitors from outside the U.S. may substitute a life jacket approved by their nation's maritime authority.

1.4. When the umpires proceed under RRS C8.6, they will follow the guidance in SI Addendum E.

1.5. A boat may not request redress under RRS 62.1(a). The protest committee may call a hearing to consider redress under that rule if it believes that there is a significant reason for doing so. This changes RRS 60.1(b) and 62.1(a).

1.6. If the first boat in a match has finished leaving the second boat in the match owing a penalty, the umpires may signal according to C5.5 that the outstanding penalty is now completed and remove the corresponding penalty flag. Once she finishes, the second boat may then be scored with a loss without the requirement of completing her penalty turn before finishing. This changes RRS C 7.4.

1.7. When a boat in a match fails to sail the course in accordance with rule 28.1, she will be disqualified without a hearing and scored zero points unless both of the boats in the match have sailed the same course in which case the boats will be scored as if they had sailed the course in accordance with rule 28.1. This changes RRS 28, 35, 63.1, A5 and C10.7.

1.8. Add to RRS 41: (e) help to recover from the water and return on board a crew member, provided the return on board is at the approximate location of the recovery.

1.9. Rule C2.10 is changed so any crew member can make the required arm signals.

1.10. One member of the crew shall remain seated in the cockpit at all times, except during maneuvers, when the safety of the boat or the crew are at risk, or when it is necessary to repair damage to the boat or its fittings while on the water.

1.11. Other than for brief periods to make adjustments to the boat, no part of a person's torso should be forward of the mast.

1.12. [DP] Competitors and support persons shall comply with any reasonable request from an event official. Failure to comply may be misconduct. Reasonable actions by event officials to implement COVID-19 guidance, protocols, or legislation, even if they later prove to have been unnecessary, are not improper actions or omissions.

2. ENTRIES and ELIGIBILITY

2.1. Only skippers invited by the OA are eligible for the event. The skippers are listed in SI Addendum A.

2.2. To remain eligible, the entire crew shall complete registration, pay any entry fee, complete the deposit form for \$US 1000.00 for damage, by 0900 on the first race day unless extended by the OA.

2.3. The damage deposit is the limit of liability of each skipper for each incident. In the event that a deduction is made from the deposit, the skipper will be required to restore the deposit to the original value to maintain eligibility.

2.4. Each skipper is responsible for the damage or loss to their boat and equipment unless the umpires or PC otherwise assign responsibility.

2.5. After the warning signal for a match, the registered skipper shall not leave the helm, except in an emergency.

3. COMMUNICATIONS WITH COMPETITORS

3.1. Notices to competitors will be communicated via email.

3.2. Signals made ashore will be displayed via email and announced on VHF68.

3.3. Skippers shall attend pre-race meetings on each day of racing, at Seawanhaka Corinthian Yacht Club, unless excused by the OA.

3.4. The first meeting with the umpires will be after the first competitors' meeting.

3.5. The RC may make radio transmissions on VHF channel 68 to competitors to announce pairings, signals, or other communications. Failure to make these transmissions or failure of a competitor to hear them is not cause for redress. This changes RRS 62.1(a).

4. AMENDMENTS TO THE SAILING INSTRUCTIONS

4.1 Amendments to the SI made ashore will be posted by 0900 on each race day and communicated via email.

4.2 Amendments made afloat will be signaled by the display of flag 3rd substitute with three sound signals. An umpire may communicate these either verbally or in writing.

5. BOATS AND SAILS

5.1 The event will be sailed in Sonar-type boats.

5.2 The sail combination to be used is Main and Jib.

5.3 Other restrictions or instructions may be given to the boats verbally by an umpire. Flag 3rd substitute is not required.

5.4 The OA will decide which boats are to be used for the regatta.

5.5 The OA may permit a substitute boat when it is satisfied that the original boat is damaged and that repairs in the time available are not practical.

6. IDENTIFICATION AND ASSIGNMENT OF BOATS

6.1 Boats will be identified by bow number.

6.2 Boats will be allocated by the OA as set forth in the pairing list in SI Addendum A.

7. CREW MEMBERS AND WEIGHT

9. THE RACING AREA

The racing area will be in Oyster Bay Harbor, Cold Spring Harbor, Long Island Sound, or West Harbor.

o Mark W

o o Mark L

o-----o Start/Finish Line

10.2. Course signals will be displayed from the RC boat at or before the warning signal.

Course Signals

No Signal = Start - W - L - W - Finish

Flag S = Start - W - Finish

10.3. Mark Roundings

1. Mark W shall be rounded to starboard.
2. Mark L may be a gate (see definition Sail the Course)

10.5. Course Limits- No part of a boat's hull shall sail inside of an area three hull lengths from a commercial fisherman. This area ranks as an obstruction for purposes of Part 2 of the RRS. A breach of this sailing instruction is not open to protest by boats but is subject to action by umpires in accordance with RRS C8.2. This changes RRS C6.2 and C8.2.

10.6. Starting and Finishing line- The starting/finishing line will be a line between the course side of a starting/finishing mark and a staff displaying an Oakcliff flag on the signal boat. A buoy may be attached to the signal boat's anchor line just below estimated keel depth as a courtesy to the sailors. Boats shall not pass between this buoy and the signal boat at any time. This buoy is part of the signal boat's ground tackle. A boat may not request redress because the anchor line at the buoy is above keel depth. This changes RRS 62.1(a).

10.7. Abandonment and Shortening:

1. RRS 32 is deleted and replaced with: 'After the starting signal, the RC may abandon or shorten any match for any reason, after consulting with the match umpires when practical.'
2. Within a flight, when a visual signal is displayed over a numeral pennant, the signal applies only to that match.

3. Match umpires may verbally inform the competitors in their match of an abandonment at the request of the RC without a visual or sound signal being made by the RC. This changes Race Signals and rule 32.1.

11. BREAKDOWN AND TIME FOR REPAIRS

11.1. Before the attention signal of a flight or within two minutes of finishing or within five minutes of changing into a new boat, whichever is later, a boat may display flag L to signal breakdown or damage to the boat, her sails or injury to her crew and request a delay to the next start. She shall proceed as soon as possible close to leeward of the RC boat and remain there, unless otherwise directed.

11.2. The time allowed for repairs will be at the discretion of the umpires.

11.3. After the attention signal of a flight, a match will not be postponed or abandoned due to breakdown unless the breakdown signal was displayed as required by SI 11.1.

11.4. Except when RRS 62.1(b) applies, failure to effect repairs in the time allowed, or breakdowns after the attention signal will not be grounds for redress. This changes RRS 62.1(a).

12. STARTING PROCEDURE

12.1. The attention signal will be displayed 7 minutes before the first starting signal in each flight.

12.2. The preparatory signal will be either a White flag or a "C" flag with a color flag and multiple sound signals. If a White flag is displayed, Mark W will be a white buoy. 13. CHANGE OF MARK W

Change of Course Signals (This changes RRS 33 and Race Signals)

13.1. Flag C and a color flag means: 'Mark W has been changed. Sail to a buoy the same color as the flag.'

13.2. When a change of course after starting only affects some matches, the matches affected may be designated by the appropriate numeral pennant.

13.3. Signaling vessel- When a change of course is signaled after the start, it will be displayed from a boat in the vicinity of Mark L; this will not be the RC signal boat that is one end of the starting/finishing line.

SI ADDENDUM E –**PENALTIES FOR DAMAGE RESULTING FROM CONTACT BETWEEN BOATS**

Appendix C6.6 and C8.6 permits the umpires or protest committee to decide the penalty when a boat breaks RRS 14. This document explains how damage will be assessed and gives general guidance on the appropriate penalty. When the protest committee has good reasons to do so, it may apply a different penalty.

Damage will be divided into 3 levels.

Level	Extent	Effect
Level A - Minor Damage	Does not significantly affect the value, general appearance, or normal operation of the boat.	Boat may race without repair although some minor surface work may be required after the event. Repairs should not normally require more than 2 hours of work.
Level B - Damage	Affects the value and/or general appearance of the boat.	The damage does not affect the normal operation of the boat in that race but may need some (temporary) work before racing again. Requires more than 2 hours of work but should not normally require more than 4 hours of work.
Level C - Major Damage	The normal operation of the boat is compromised and its structural integrity may be impaired.	The boat will need some repair work before racing again and/or more than 4 hours of work are required.

Point Penalties - to be applied without a hearing (RRS C8.6)

Level	Round Robin	Knock Out
A	None	None
B	Three quarters of a point	Three quarters of a point
C	One Point	One Point

When both boats break RRS 14, they should both receive a points penalty. If a competitor requests a hearing after a points penalty has been imposed, the protest committee may decide (in the hearing) to give a greater penalty.

Deductions from Damage Deposits

The assessment of damage level is only for the purpose of points penalties, and is not linked to any deductions from the competitor's damage deposits.

Any points penalty will be based on the assessment of damage level made on the water. Subsequent assessments of the damage level after closer inspection, whether the level turns out to be higher or lower, will have no effect on the points penalty given on the water.
